Dear Major Hoyt:

We have never received a copy of the official CAP song. I thought it might fit into a box in the make-up of the CAP section of some future issue. If you have a copy of the words and the name of the composers, I will try to use it.

We should like to have more material for the next issue. Both text and pictures ran a bit short for July. I am doing everything possible to stir up the various Wings and Squadrons, but a reminder from Headquarters might increase their publicity releases.

Your cooperation in supplying us with more pictures with captions and more news will be greatly appreciated.

Very truly yours,

AIR PILOT AND TECHNICIAN,

Russ Brinkley
